MEMORANDUM FOR COMMANDER, III MEF
COMMANDER, SEVENTH FLEET
COMMANDER, MARFORJ
COMMANDER, CNFJ
COMMANDER, USARJ
COMMANDER, FIFTH AIR FORCE
DEPUTY COMMANDER, U.S. FORCES JAPAN
COMMANDERS OF TENANT UNITS IN JAPAN
ALL MILITARY PERSONNEL IN JAPAN

FROM: COMUSJAPAN

SUBJECT: Liberty Policy for All U.S. Military Forces Located and Operating in Japan

1. **AUTHORITY & BACKGROUND:** IAW USPACOM INST 3020.2L and COMUSPACOM memorandum, "Authority to Set Country-Wide Liberty/Pass Policies for US Forces Located and Operating in Japan", dated 30 Oct 12, the following restrictions are directed. All previous liberty guidance is hereby rescinded. This memorandum revises liberty buddy requirements and Okinawa-specific measures. This policy is applicable to all military personnel located and operating in Japan who are subject to CDRUSPACOM authority, including Reserve personnel (when serving in a Reserve capacity), National Guard personnel (when in a Title 10 status), and personnel in a TDY/TAD or leave status. This policy is effective immediately and shall remain in effect indefinitely, pending further assessment of the operational environment in Japan.

2. **PURPOSE:**

a. In order to safeguard the vital relationship we have with Japan, bolster military readiness, and more efficiently meet our obligations under the Treaty of Mutual Cooperation and Security, which increases U.S. ability to defend Japan and provide regional stability, the following measures are necessary. These core values-based restrictions are intended to reinforce standards of conduct, particularly with respect to behavior outside of military installations in Japan.

b. This memorandum serves to create a uniform liberty policy across all commands in Japan. USFJ component commanders and senior operational commanders in Japan shall incorporate this direction into local regulations and orders. Nothing in this memorandum prohibits authorized commanders from imposing further restrictions as deemed necessary due to mission requirements. "Authorized commander" is defined in Attachment 1 of this memorandum.

3. **REQUIREMENTS:**

a. Training Prerequisite: Before any military member is granted liberty off-installation, the member must have completed (1) Sexual Assault Prevention and Response Training (IAW Service-specific instructions and Department of Defense Directive 6495.01) and (2) Japan Indoctrination

Training (USFJI 36-2811) with added emphasis on Service Core Values within the past 12 months. USFJ component commanders and senior operational commanders in Japan must document and may tailor the training as appropriate, but where possible, "in-person" training should be conducted. For other individuals (i.e., CONUS personnel who are in Japan in TDY/TAD or leave status), training may be conducted electronically.

b. Off-Installation Public Consumption of Alcohol: For all military personnel, regardless of grade, off-installation public consumption of alcohol is prohibited between 2400 and 0500 (on all days, including holidays). Public consumption of alcohol is any consumption of alcohol off of a military installation, except when in an off-installation residence, quarters, or hotel room.

c. Curfew: Military personnel, including those who are in a TDY/TAD, leave, pass status in Japan, in the grade of E-5 and below are subject to curfew between the hours of 2400 and 0500. Military personnel in other grades are not subject to curfew, unless otherwise directed by their authorized commander. During curfew hours, military members subject to the curfew must either be (1) on a U.S. military installation; (2) off the installation in a private residence; (3) in place of lodging (hotel); or (4) in the performance of official duties (including duty-related/commute travel between an off-base residence and place of duty). Authorized commanders, as defined in Attachment 1, may grant curfew exceptions on an individual case-by-case basis for specific circumstances. Grade-based blanket exceptions are not authorized.

d. Liberty Buddy Program:

(1) A "liberty buddy" program is established, applicable to all military personnel in the grades of E-5 and below. The following restrictions apply:

(2) From 2100 to 0500 hours, if off-installation in Japan, such personnel must be accompanied by a liberty buddy. [Note: the liberty buddy provisions do not alter the curfew provisions in paragraph (c). The liberty buddy provisions are effective during designated non-curfew hours (2100 to 2400) and also during designated curfew hours (2400 to 0500, if an authorized command previously approved a curfew waiver, per paragraph (c) above.]

(a) Such personnel may transit unaccompanied directly between their authorized residence and a military installation or between military installations.

(b) For such personnel who are picking up or dropping off their liberty buddy at the liberty buddy's authorized residence, they may travel unaccompanied directly from/to their own authorized residence.

(c) An "authorized residence" is the home of such personnel. For those who are TDY and billeted off-installation, it is their place of lodging/hotel. For those who are on leave or on liberty, it is their place of lodging/hotel if not at an authorized home. An authorized residence is also any other location as previously approved by an authorized commander (as defined in Attachment 1).

(3) A liberty buddy may be: (a) an active duty military member; (b) another person with SOFA status (for example, a spouse, accompanied family member, or a U.S. DoD civilian employee); (c) other family members, or (d) another responsible individual, including a non-U.S. national, who has been approved by an authorized commander (as defined in Atch 1).

(4) Authorized commanders (as defined in Attachment 1) may grant individual, case-by-case exceptions to this liberty buddy policy for specific circumstances. Grade-based blanket exceptions are not authorized.

(5) Authorized commanders (as defined in Attachment 1) may impose more restrictive buddy policies, as deemed lawful and appropriate.

e. Okinawa-Specific Provisions: The additional provisions, contained in Attachment 2, are in effect for all military members on Okinawa.

f. Other Provisions: This policy does not exempt compliance from other requirements, including host nation laws. For example, USFJ component commanders or senior operational commanders in Japan may impose more restrictive provisions to meet mission requirements, subject to prior consultation with COMUSJAPAN. Additionally, military personnel are prohibited from going to "off-limits establishments" as determined by the Armed Forces Disciplinary Control Board Process (or otherwise authorized authority).

g. Unit-Wide Recall (Denial of Liberty): When an individual breaks the rules, it raises concerns of systemic issues --- that individuals may lack the tools, resources, and training to understand the consequences of their actions and the profound effect that those actions have upon the bilateral relationship and our mission. Therefore authorized commanders may recall to duty status all members of a unit (squadron, battalion, or equivalent unit) in which one of its members is involved in an alcohol-related incident or other off-base crime/infraction. The first Flag Officer/General Officer in the chain of command may authorize resumption of liberty after review of the alcohol-related offense and approval of a unit remediation plan. For example, a unit remediation plan could include an analysis of contributing factors to the incident, unit training (i.e., alcohol awareness and abuse prevention and refamiliarization of service core values), and/or increased liberty buddy requirements. The purpose of this process is to ensure unit members have a common understanding of requirements and to reinforce unit cohesiveness. Exceptions may be granted as specified in paragraph (3)(c).

4. USFJ component commanders and senior operational commanders in Japan shall re-promulgate this policy to all assigned military personnel, through punitive orders, the violation of which shall be punishable under Article 92 of the Uniform Code of Military Justice as a violation of a lawful general order. USFJ component commanders and senior operational commanders should ensure that electronic copies of component/senior service liberty orders and guidance are promptly provided to the USFJ Chief of Staff. Questions concerning this memorandum should be directed to the USFJ Chief of Staff, (DSN) 225-4288.

Attachment 1 to Liberty Policy for All U.S. Military Forces Located and Operating in Japan

DEFINITIONS

Authorized Commander – An O-5 or higher officer having command authority over the member. In cases where a military member does not have an O-5 commander in Japan, the USFJ component commander or senior operational commander in Japan may designate an alternate O-5 commander. For example, certain officers may be designated to act on the requests of CONUS-based personnel who are in Japan on leave. O-5 commanders are also considered authorized commanders for granting exceptions to buddy policy requirements or directing unit-wide denial of liberty in paragraph (3)(d) of the policy memo. In units where the commander is general/flag officer (e.g., in a headquarters staff), that commander may designate an O-6 or higher officer to serve as the “authorized commander”.

Liberty -- After normal working hours, or off-duty. This includes evenings, weekends, and holidays.

Military Installations -- DoD installations, bases, posts, camps, stations, and ships. This includes DoD-controlled facilities, such as DoD lodging or recreational facilities. Armed Forces recreation facilities or areas such as the New Sanno Hotel, Hardy Barracks Compound, Okuma Recreation Area, and similar facilities or areas, are considered military installations. U.S. military personnel and their guests may remain in lounges/bars/casinos and all other areas within those installations, even during curfew hours.

Off-Installation Residence, Quarters, or Hotel Room (also place of lodging): This may belong to the member. It may also belong to another individual, provided that the military member remains there overnight, during curfew hours. The intent is to ensure that military members, who are subject to the curfew, are not off-installation, in public, during curfew hours. For example, military members may visit their friends at their off-installation residence and remain there through curfew hours. Further, if the military members stay at that private residence overnight, then they may consume alcoholic beverages at that residence, even after 2400 hours. The military members in these examples must ensure that they are not off-installation in a public setting (for example, walking on off-installation streets or in a yard or on a roof where they are visible to others) during curfew hours.

Attachment 2 to Liberty Policy for All U.S. Military Forces Located and Operating in Japan

ADDITIONAL OKINAWA-SPECIFIC PROVISIONS

The following additional provisions are in effect for all military members on Okinawa. These provisions apply to any personnel located and operating on Okinawa (including assigned, TDY, and leave personnel in Okinawa). Personnel who are stationed in Okinawa, who are TDY or on leave to non-Okinawa locations, are not subject to these additional Okinawa restrictions while they are absent from Okinawa.

1. On-Installation Alcohol Consumption: Individuals may consume alcohol on-installation. Individuals who consume alcohol on-installation may be permitted off-installation liberty (the .03 BAC limitation is hereby rescinded). Individuals are expected to exercise common sense and a due regard for safety.
2. Off-Installation Purchase/Consumption of Alcohol: Off-installation purchase/consumption of alcohol is prohibited, except as follows:
 - a. When in an individual's own private residence or hotel;
 - b. During the hours of 1800 to 2200 at off-installation restaurants in conjunction with evening meals. A restaurant is an establishment where the primary business is the sale and service of food (i.e., not a bar/club). Personnel shall not consume more than two alcoholic beverages; or
 - c. When authorized by a general or flag officer in the chain-of-command for designated official events.
